

Do you want to make a difference? Becoming a school governor could be for you!

- School governors play a vital role in education.
- Your skills could make a real difference to our school.
- Governors plan the strategic direction of a school, make sure public money is well spent and hold the school leadership to account.
- Being a governor is really rewarding and can help you develop transferable skills.
- Anyone can be a governor.

If you'd like to build your personal and professional development skills whilst making a real difference to your local community, visit [buckinghamshire.gov.uk/becoming-a-school-governor](https://www.buckinghamshire.gov.uk/becoming-a-school-governor)
