**As of 2023/2024, KS1 tests (SATs) are optional, and schools do not need to report results to local authorities or parents. At Thornborough, we choose to continue to. As an infant school, they are our final measure of progress across the school. The national data for KS1 is from the last available year (2022/2023) and is offered for general comparison only.

***This represents a very small cohort. Any children who did not achieve a pass mark are supported by additional funding (EHCPs) due to significant special educational needs.
